

E - Quality of Life Foundation, Inc.

Improving Accessibility for E veryone!

E-Quality of Life Foundation's "*Don't Shut us Out!*" event ends with a **Grand Slam!**

On **Independence Day**, while the Jupiter Hammerheads were taking on the Brevard County Manatees at Roger Dean Stadium, E-Quality of Life volunteers were on deck distributing hundreds of informative brochures about accessibility issues. Fans *stepped up to the plate* with donations as well as encouraging words about the Foundation's mission.

Since June 1st, through the compassionate and generous staff at Roger Dean Stadium, E-Quality was permitted to set up a table model of a door with a Nabco* automatic opener, to demonstrate the simple application that allows opening of a door with the push of a button.

Volunteers were *pitching* to fans at every game up to July 4th! Returning fans soon became familiar faces and on-going supporters. Their smiles and generosity kept the E - team going!

Hamilton Hammerhead and Robbie Redbird, Mascots for the Jupiter Hammerheads and Palm Beach Cardinals, stopped by often for photo opportunities! They're such hams!

We had the best seat in the house! The announcers aired the event before every game and also called the daily prize winners. Again, Roger Dean Stadium Directors were compassionate, knowing that the Foundation was not in a position to pay for the advertising.

On the fourth of July, the game was delayed due to rain, but the fans kept pouring in anyway, greeted by Uncle Sam himself! Mayor Karen Golanka stopped by E-Quality's table and graciously listened as an enthusiastic volunteer demonstrated the door model.

Finally, at the top of the 4th inning, Hamilton the Hammerhead came down from the stands to pull the four winning tickets for door openers, installed wherever the winners wish, with a personalized donation plaque.

In the bottom of the 4th, the four winner's names were announced over the PA system; Melanie Grassi of Del Ray, Bettina Hermann of Jupiter, Ric College of Palm Beach Gardens and John Grieves of Jupiter!

Fourth of July, Fourth Inning, Four Freedom Winners!

Immeasurable Thanks to:

WJTW Hometown Radio's Kathy Green, 'The Gal on the Go!' for her continuous efforts to get the word out about the Foundation with her numerous public service announcements.

Roger Dean Stadium: Rob Rabenacker, General Manager
Chris Eason, Director of Stadium Operations
Jennifer Brown Director of Sales Marketing
Brad Wilton, Intern
Robbie and Hamilton and Entire Staff

Direct Doors, Inc. Marvin Esler made up model unit for and helped set up display!
Nabco Entrances, Inc. Larry Grassmann

A Very Special Thanks To Our Volunteers:
