

Press Release

The “Opening Act!” Celebration for the new E-Quality of Life Foundation, Inc. will be held on Tuesday, April 24th from 6:00 p.m. until 8:00 p.m. at the Maltz Jupiter Theatre. Cocktails and hors d’oeuvres will be served at this fundraising event.

E- Quality of Life Foundation is a non-profit organization based in Jupiter, FL. Its mission is to assist the physically challenged population of Palm Beach County by addressing accessibility obstacles, providing direct solutions thereby improving their quality of life. The foundation will also educate and create awareness within the community in regard to this *explosive* issue. In Palm Beach County alone, 18% of the population is physically challenged and face these barriers on a daily basis.

At the commencement celebration, Susan hopes to briefly introduce the principles of this mission by demonstrating a simple example of how accessibility can be increased by use of an automatic door opening device. One of these devices has been donated by the Foundation to the Maltz Jupiter Theatre. This will be a welcomed enhancement to the theatre and its patrons. This will start a new trend in accessibility improvements throughout our community.

Susan Arena will be live on WJTW 100.3 FM Hometown Radio on Friday, April 20th at 3:00 PM with Kathy Green, the “Gal On The Go”! At that time she will discuss the Foundation’s origin and her passionate concern for its cause.
